FUNDING OPPORTUNITY FOR FREE CONCERTS AT COMMUNITY VENUES THROUGHOUT LOS ANGELES COUNTY

Applications Now Open for Interested Organizations

Deadline is March 1, 2017

The Los Angeles County Arts Commission is accepting applications from organizations seeking support for music programming at their facility or designated location. Applications for the Free Concerts in Public Sites program, eligibility information and program requirements are available at lacountyarts.org/funding/free-concerts. **Deadline for submission is March 1, 2017.**

With funding support from the Los Angeles County Board of Supervisors, the Arts Commission administers the sponsorship of free concerts at community venues throughout Los Angeles County to provide access to quality music programming representing the diversity of County residents. Artists who perform as part of the Free Concerts in Public Sites program are chosen by the presenters from the Arts Commission's Musicians Roster, which can be found at lacountyarts.org/musicians-roster.

Featuring more than 100 Los Angeles County-based groups representing a range of musical styles, the Musicians Roster is comprised of artists chosen by a panel of experienced and respected music professionals. Criteria include artistic excellence, cultural diversity and the ability to work cooperatively with other organizations. The Roster represents a variety of musical genres, including African, classical, electronic, folk, jazz, Mexican, R&B, South American and many more. This online directory is accessible to the general public.
